7 April 2017
Our mission is to provide a practical and affordable training experience that meets each student's interests, abilities and needs within a robust curricular framework while inspiring creativity.
Dear Prospective Student,

Thank you for showing interest or applying for our training courses on: 3D Animation Jumpstart, 3D Character Design, 3D Character Acting, Motion Graphics, Video Editing, Broadcast Design, Cinematography and 3D Digital Sculpting.

You have made the right choice. Orange is Nigeria's leading provider of 3D animation, motion graphics, training and visual effects services. As our student you will enjoy the benefits of learning from seasoned professionals with lots of experience. We employ a practical hands-on approach to learning.

We strive to promote and support student development and organizational effectiveness by providing high-quality educational training. Our courses are practical and designed to meet individual, group or departmental, and institutional needs and objectives. We work hard to enhance individual learning and development as the means for creating a better workplace environment and for building a stronger industry in West Africa.

Once again thank you for choosing Orange. We hope you have an awesome learning experience.

Best regards,

Richard Oboh
Creative Director/Corporate Head
Edit videos like a pro in 3 weeks

With the growth of digital video not just in Lagos but beyond Nigeria over the last few years, professional editing has now becoming a must have technology for any growing company or individual.

Our Adobe Premiere Pro course covers all the fundamental and comprehensive methods, tools and techniques enabling you to get your video message across fast with maximum impact using the powerful, flexible editing capabilities.

This hands on Adobe Premiere Pro training course will teach you how to perform essential video editing functions, titles, video & audio effects to a professional standard using Adobe Premiere Pro’s powerful advanced features.

Who is this course designed for?

If you are a graphic professional, student or just an enthusiast who want to enhance your motion editing and compositing skills then this course is for you. Experienced users will also benefit from the many tips and tricks and special exercises.

Duration
3 weeks

Price
N100,000
